I do not think much business can result from this visit now.

The situation is serious and there is no object in taking risks. There is no reason to call out of India, ~~accede~~ as the requirements of the Supply Dept for Indian handloom weaves is not actually such, though there is a slump in price again ~~last week~~ this week.

All things considered, I consider that we need not agree to allow this gentleman

Our responsibility in respect of Sir Krishnarajendra Dams is great. I would even suggest our cancelling the Special Lighting Train without further delay as from today on account of Govt business

I am directed to refer to letter from the Deputy Commissioner of Police, Bombay, to the Superintendent of Police, Special Branch, Bangalore, No.7164/FR/4612 of 1941, dated the 11th December 1941 (copy enclosed).

2. In view of the special circumstances of the Civil and Military Station, Bangalore, it is proposed that Mr.Foges should not be allowed to enter the Station limits without obtaining on each occasion a special permit from the Commissioner of Police, Civil and Military Station, Bangalore. If the Government of Mysore have no objection to Mr.Foges visiting Bangalore City and Mysore, it is suggested that they might like to impose a condition to the effect that he should communicate his intended movements in Bangalore City and Mysore to the Inspector-General of Police in Mysore and obtain his consent beforehand, and that, in any case, he should not be permitted to leave Bangalore City and Civil and Military Station e.g. to the Aircraft Factory, Prisoners of War Camps and other military Camps.

Re: Walter FOGES

I have the honour to enclose a copy of an application made by Mr.Walter FOGES, a German Jew and Bombay Registree No.4612 and to enquire whether you have any objection to his visiting Mysore City.

Mr.FOGES is of Austrian (Jewish) origin and came to India in 1936 on a contract with Messrs.E.D.Sassoon & Company, Limited. He was with them till July 1939 when he went to England on a holiday. He returned to India on 8-3-1940 as the representative of the United Africa Company, Limited, which is affiliated with Lever Brothers, Bombay.

I have nothing on record against him.

The Deputy Commissioner of Police,
Special Branch, C.I.D.
Head Police Office, Bombay.

Sir,

I would be very grateful, if you could arrange to grant me Travel Permits for my intended journeys to Madras, South India as well as Mysore (City) and Bangalore.

As Manager of the Textile Department of the United Traders Limited, I have been placing very large orders for Yarns and Piecegoods in India during this year and our commitments in South India alone amount to over 15 lakhs of rupees.

It is, therefore, essential for me to contact with our suppliers and to endeavour to find new sources of supplies if possible.

Apart from Madras I desire to visit Coimbatore, Trichur etc. It is, however, extremely difficult for me to give a precise itinerary as I may want to proceed to one or two other places in South India if this is found necessary.

I take it that it will be possible for me to apply for these permits from Madras. On my return journey I desire to stay in Mysore and Bangalore in order to discuss business prospects with the Cotton and Art Silk Mills established there.

I would like to add, that I shall upon the request of Dr.Thomas, Chairman of the Fact Finding Committee for Handloom Weavers and Sir Frederic Stones of Messrs.E.D.Sassoon & Company, Limited communicate with Mr.L.B.Green, Director of Industries and Commerce, Madras in order to discuss all possibilities of ~~initxt~~ initiating additional business for the handloom weavers for Export.

Kindly treat this application as urgent as I would like to proceed to Madras, if possible, before the 10th of December.

Trusting to receive a favourable reply,

I have, etc.

Sd/- W. Foges.
